TRACK 1: INTRODUCTION TO THE NEW TESTAMENT

Time Commitment: One month

Goal: Survey New Testament biblical foundations

Track 1 is a great place to start reading the Bible. Two separate reading plans take you quickly into passages of the New Testament every Christian should know. These were selected with two concerns in mind: First, the passages are frequently quoted or referred to. Second, they are relatively easy to read and understand. Track 1 is a sampler designed to whet your appetite for more.

TRACK 2: EVERY BOOK IN THE NEW TESTAMENT

Time Commitment: Three months

Goal: To gain an overview of the New Testament

Track 2 includes eighty-one New Testament chapters. Many well-known parts are not represented, and you will read only a single chapter from some books. But these sections have been selected because they are understandable without commentary to the average reader. Taken together, they provide a good foundation for understanding the New Testament.

Don't worry if you miss a few days. Just resume reading when you can. In about three months you will get an overview that includes a portion of every book in the New Testament.

TRACK 3: EVERY WORD OF THE NEW TESTAMENT, PSALMS, AND PROVERBS

Time Commitment: One year

Goal: To read all the way through the New Testament, Psalms, and Proverbs with understanding

Track 3 takes you completely through the New Testament, Psalms, and Proverbs, reading every word. This plan follows a relaxed pace, usually assigning only one chapter a day. (Some short chapters have been combined, so occasionally you will read two brief chapters in one day.) In all, the reading plan days work out evenly to a one-year total. This plan alternates between the New Testament and the books of Psalms and Proverbs, providing a nice variety for daily readings.
