CHAPTER

13

ENGAGE LOST PEOPLE

Most communities are a collection of smaller groups of people living and working in silos. University campuses also function this way.

Traditional church planting pulls people out of their silos to create a new silo we call a church.

Gospel Planting
focuses on planting
the Gospel into
every existing
community rather
than creating a
new silo.

Eventually the initial
Discovery Group multiplies
within the silo. Several groups
will meet all within that silo.
